If you are creating a Reef account for the first time complete the first 5 steps. If you already have a Reef account you can skip the first 5 steps and proceed directly to step 6.

Visit app.reef-education.com or download the free iOS app from the iTunes App Store or Android app from Google Play and select Don’t have an account? Sign Up!

1. In the Find your institution box type University of Illinois at Urbana Champaign and click on the link below when it populates.
INSTRUCTIONS FOR CREATING REEF ACCOUNTS AND REGISTERING FOR MCB 246
SPRING 2019

2. On the next screen fill in the following information.
   • First Name: Your first name
   • Last Name: Your last name
   • Email: your University of Illinois email address [netID@illinois.edu]
   • StudentID: your University of Illinois NetID

3. Check the box next to ‘I agree to the Privacy Policy and Terms of Use’ and click Next.

4. On the next screen create your account password and you’re done with the initial setup.

5. Reef will then ask you do you want to register a remote. Click Not Now.
To add MCB 246 to your Reef account complete the following steps.

6. Either log into your existing account or the account you just created and select the plus sign in the upper right corner.

7. Enter University of Illinois at Urbana-Champaign in the ‘Find Your Institution’ box and click the name when it populates.

8. On the next screen enter mcb 246 and hit enter. Our course should populate.
9. On the Confirm Course screen click Add This Course and you’re done.

When you first register, you will automatically given 15 day guest access. In order to ensure you do not lose access to our course, you will need to purchase access within the first 15 days of registering. For instructions on how to purchase a subscription complete the following steps. **Remember: If you've already used REEF before and currently have an active subscription you do not need to purchase a new one.**

1. To purchase a subscription, login to your Reef account, select the menu icon, and select subscriptions.
2. Select the subscription expiration date and choose which subscription you would like to purchase. This can be purchased in the mobile app or by entering credit card information online.

3. On the next screen you have the option of either purchasing a subscription or entering the access code if you’ve already purchased one. Note: if you’ve recently purchased a new iClicker remote, it may come with an access code for 6 months of iClicker Reef access. You can only enter access codes on the Subscriptions menu of the web application, not the mobile application.
