Clinical Trial Operations Development Program

AbbVie (NYSE: ABBV) is a global, research-based biopharmaceutical company formed in 2013 following separation from Abbott. AbbVie combines the focus and passion of a leading-edge biotech with the expertise and capabilities of a long-established pharmaceutical leader to develop and market advanced therapies that address some of the world’s most complex and serious diseases. In 2015, AbbVie will employ approximately 28,000 people worldwide and markets medicines in more than 170 countries.

Clinical Trial Operations Development Program Description
As a member of AbbVie’s Clinical Trial Operations Development Program, you will be given assignments that are crafted to help you develop exceptional functional and leadership traits by working on a wide range of projects while providing exposure to different leaders in the company. These Clinical Trial Operations experiences will develop you and put you on the fast track to future Clinical Trial Operations leadership opportunities at AbbVie. Over the two years and three rotations you will be a full-time employee with a salary and benefits package. Based on your discipline, you will have opportunities working in rotations under:

- Clinical Program Development
- Data Sciences
- Outsourcing
- Global Drug Supply Management
- Compliance

Basic Requirements
- Minimum GPA: 3.0/4.0
- Completion of Bachelor’s or Master’s Degree in related discipline: Life Sciences (Molecular Biology, Cell Biology, and Biochemistry), Statistics, Nursing, Pharmacy, Business Operations, and Clinical Research
- Track record of accomplishment
- Previous internship experience required for full-time consideration
- Must be authorized to work in the US on a permanent basis without requiring sponsorship

Preferred Requirements
- Excellent problem-solving skills
- Exceptional interpersonal, leadership and project management skills
- Proven track record of teamwork, adaptability, innovation, initiative and integrity
- Strong analytical skills

Locations
Lake County – North Chicago, IL

Recruitment Process
We participate in several on-campus events (such as: information sessions, career fairs and conduct interviews while on campus). Interested candidates, please check the career services schedules at your school for the recruiting event schedule. AbbVie also posts our Operations Internship and ODP positions on our career website, if your school isn’t listed, please visit www.abbviecareers.com.
