HEALTH APPLICATION PREP MONTH

Get the help you need to prepare and submit your health profession applications.

JOIN US FOR APPLICATION PREP MONTH!

Attend our four part workshop series designed to help you navigate the process of applying to a health profession program.

4/06 Overview of the Application Process: What kind of information do you include in your application? When should I apply? How can I get organized?

4/13 Nuts & Bolts: We jump right into the specifics of filling out applications.

4/20 Personal Statements: Writing about yourself is hard. We can help.

4/27 Waiting for “Yes!”: What happens after you hit “submit?” Secondary applications, academic updates, interviews and more will be discussed.

All workshops will be held from 4 - 5 p.m. in The Career Center Interview Suite, Room 213 located at 616 E. Green St., Champaign.
