

MCB 252 Online Summer 2024

MCB 252 Cells, Tissues and Development is Online this Summer

MCB 252 in summer is a fully online course designed through the Center for Innovation in Teaching and Learning

It is NOT a remotely taught version of the Face-to-Face course as is taught during the pandemic and planned for Fall 2021

No textbook is required in the online version of MCB 252

Taught by Dr. David Rivier
Questions: rivier@illinois.edu
