#### SUMMER INTERNSHIP OPPORTUNITIES

Today's students are tomorrow's leaders in the sciences. To this end, Pfizer understands the critical importance of preparing students for careers in industry. Through various Student Employment Programs, Pfizer offers you incredible opportunities to fine-tune your research skills while adding invaluable to your studies. These programs are designed to help you develop and apply your skills and knowledge to prepare for a successful career in the sciences.

The PGRD Summer Internship program offers a wide range of challenging projects involving issues that are critical to our research and development organization. As an intern, you will gain hands-on scientific research, business or technical experience, participating in structured projects under the guidance of a Pfizer mentor.

#### Opportunities

Summer Internship opportunities are typically available in

- Groton or New London, CT • La Jolla, CA
- Ann Arbor or Kalamazoo, MI • New York, NY
- St. Louis, MO • Cambridge, MA

A background in any number of disciplines prepares you for a career at Pfizer.

#### Scientific fields:

- Analytical Chemistry
- Biochemistry
- Biology
- Biomedical Engineering
- Chemical Engineering
- Comparative Medicine
- Drug Metabolism
- Laboratory Animal Medicines
- Molecular Biology
- Organic Chemistry
- Pathology
- Pharmaceutical Sciences
- Pharmacokinetics
- Pharmacy
- Physical Chemistry
- Toxicology
- Vaccine Discovery & Development
- Veterinary Medicine

#### Non-Science fields:

- Facilities
- Finance & Procurement
- Human Resources
- Information Technology
- Market Assessment
- Legal
- Worldwide Regulatory Affairs

The goals of this program are to offer students experience working in a pharmaceutical company setting, to understand the vital role of research in the drug development process, and perhaps to become interested in a career as a researcher. We offer competitive compensation and an opportunity to exhibit and present your research project in a poster session.

We invite you to visit our website, [www.pfizerdgrad.com](http://www.pfizerdgrad.com) to learn more about our internship program.

Pfizer is proud to be an Equal Opportunity Employer and welcomes applications from people with different experiences, backgrounds and ethnicities.
