## Galileo Learning

Other Education

<http://www.galileo-camps.com/>

Galileo's mission is to develop innovators who envision and create a better world. We achieve our mission through our unique curriculum, the Galileo Innovation Approach, which teaches design thinking through project based learning and STEM curriculum at our 70+ summer programs in the Bay Area, SoCal, and Chicagoland. We also strive to provide our staff with opportunities for professional development and teach them transferable skills, no matter what comes next in their careers. We were recently named one of the Top 10 Best Places to Work in the Bay Area by the SF Business Times for the eighth year running, and over 97% of our summer staff said they would recommend working for us.
