

Volunteers Needed

Help make someone's last moments their best moments.

Carle Hospice is looking for compassionate individuals to help serve our community by providing respite care and companionship to hospice patients for just a few hours. Some activities include listening to concerns, being a support person, keeping the patient company, writing a letter, or reading to the patient.

We DO NOT ask the volunteers to provide any type of health services, just friendly visits.

Volunteers who are bilingual or have therapy pets are highly encouraged to apply.

If you are interested, please visit Carle.org/volunteer and click the Hospice button to fill out an application.
