

**Brand Technical Center Intern**

Location: Plainfield, IL

Length: 3 months (summer 2009)

Position Offered: Scientific Services Microbiology Internship

Diageo is the world's leading premium drinks business with an outstanding collection of beverage alcohol brands across spirits, wine, and beer categories. These brands include: Smirnoff, Johnnie Walker, Guinness, Baileys, J&B, Captain Morgan, José Cuervo, Tanqueray, Crown Royal, Beaulieu Vineyard and Sterling Vineyards wines, and Bushmills Irish whiskey.

Diageo is a Global company, trading in over 180 markets around the world. The company is listed on both the London Stock Exchange (DGE) and the New York Stock Exchange (DEO).

We employ over 20,000 people worldwide with offices in around 80 countries. We have manufacturing facilities across the globe including Great Britain, Ireland, United States, Canada, Spain, Italy, Africa, Latin America, Australia, India, and the Caribbean.

The benefits of this assignment include:

- High visibility and great exposure to many parts of the supply chains by interacting with suppliers as well as Diageo manufacturing sites
- An opportunity to work for the largest Spirits-Wine-Beer company in the world, owners of 9 of the top 20 brands.
- A great geographic location in the suburbs of Chicago and work in the Diageo North America Brand Technical Center located adjacent to Diageo largest, most complex manufacturing plant.

Qualifications:

- Current student or graduate
- Ability to demonstrate leadership skills and project management
- Outstanding interpersonal and team skills
- Strong verbal and written communication skills
- Ability to work independently as well as within a team environment
- Ability to collect data, interpret results, draw conclusions, and formulate recommendations

***Candidates must be of legal drinking age at start of internship.***
