

Illini Sheltering Hands Society

- **Core Objective:** Empower students with essential life-saving skills and support homeless communities on campus and in the surrounding area
- **Activities:**
 - Host a range of events and workshops
 - Facilitate volunteering initiatives
 - Students will learn CPR, how to measure vital signs, and how to use an AED, etc.
- **Goals:**
 - Equip students with knowledge and tools for service, leadership, and skill-building
 - Enrich campus life and promote social responsibility
