

Undergraduate Lab Position Available Immediately

March 23, 2007

Kim Laboratories, Inc. (www.kimlaboratories.com), a microbiology laboratory located in the UIUC Research Park, wishes to hire an undergraduate student to help with general lab chores including dishwashing, autoclaving and media preparation.

Starting wage is \$7.50/hour.

Applicants must meet the following criteria:

- Completed MCB 300 or MCB 301 (or higher level).
- Be able to start immediately.
- Work 10 or more hours/week.
- Work through the summer and the upcoming school year.

Qualified applicants should contact Elena Dzhaman at edzhaman@kimlaboratories.com to set up an interview. Current college transcripts and 2 letters of recommendation from a previous employer, Professor, or TA will be required at the time of the interview.
