

The School of Molecular & Cellular Biology
Core Curriculum Office:
252 Davenport Hall

To Visit 252 Davenport Hall

- 1 Access from Quad Door (west Davenport):**
 - Enter Davenport through the quad door and turn to the left.
 - Follow the signs down the hallway, turn right and go through two doors until you reach the stairway outside of 153 Davenport.
 - Take stairs up to 243 Davenport door. 252 Davenport will be the last door on your left.
- 2 Access from the Dock Door (northeast Davenport):**
 - Enter Davenport through the loading dock door, turn left and then make two immediate right turns.
 - Take stairs up to 243 Davenport door. 252 Davenport will be the last door on your left.

Wheelchair Access to 252 Davenport Hall

- ♿ Access from ADA Door (southeast Davenport):**
 - Enter Davenport through the ADA door at the southeast end of Davenport, turn right and follow the signs to navigate the hallway through several minor turns until you reach the door to 153 Davenport.
 - Take the hallway in 153 Davenport north to the elevator tunnel, take the elevator to the second floor and then follow the hallway tunnel to the 243 Davenport door.
 - 252 Davenport will be just through the door on your right.
